Dear recycLA customer,

In July 2017, the City of Los Angeles (City) launched recycLA, a public-private partnership that, for the first time in the history of the City, offers customer-friendly and efficient waste and recycling collection services to commercial/industrial businesses and large multifamily buildings. recycLA will help move the City closer to achieving its zero waste goals through its pioneering waste reduction, reuse, recycling, and recovery programs.

recycLA offers a host of benefits to those who work and live in Los Angeles including but not limited to clean fuel vehicles, recycling at 100% of customer sites, annual landfill reduction targets of one million tons, and recycling infrastructure investment and development.

recycLA also offers a host of benefits to its customers which includes standardized and transparent rates, customizable waste and recycling services, 24/7 customer service support, and enforcement of customer service standards.

As a potential recycLA customer, you are receiving this notice as part of the recycLA customer onboarding process. Commercial and Multi-Family businesses must work with their designated recycLA Service Provider (RSP) for their waste and recycling services. Signing up for recycLA waste and recycling collection services requires a Waste Assessment wherein you will work with your designated RSP to customize your waste and recycling services. Appointments for Waste Assessments can be made by calling LA Sanitation's (LASAN) 24/7 Customer Care Center at 1-800-773-2489, option 7.

Please be advised that Commercial and Multi-Family Businesses are required to have waste and recycling collection services in accordance with the Los Angeles Municipal Code (LAMC) section 66.33.2. Failure to subscribe to and maintain active recycLA waste and recycling collection services is a violation of the City's ordinance and may lead to prosecution.

Thank you in advance for your cooperation and participation in the recycLA customer onboarding process. If you would like more information about recycLA, please visit recycLA.com.

CUSTOMER RIGHTS AND RESPONSIBILITIES

CUSTOMER SERVICE AGREEMENT/LEVEL OF SERVICE

- Your recycLA Service Provider (RSP) will provide you with a Service Agreement Form that identifies all the services provided to you along with all the associated costs including any Extra services.
- You will be provided with solid resources containers (Black, Blue, and Green Bins) of sufficient size, type and number to ensure that all solid resources are properly stored and contained until they are removed for disposal or processing.
- If you submit a request for a change in service level which results in a lower rate, your billing amount will be adjusted within seven (7) days of the date of request regardless of whether or not the correct containers or changes in service level is provided within that timeframe. All billings shall be prorated to reflect changes in service level.

COLLECTION FREQUENCY/HOLIDAYS/EXTRA SERVICES

- Your collection service will include at a minimum one 96 gallon Black refuse/garbage Bin and one 96 gallon Blue comingled recycling Bin that will be collected at least once a week.
- Days of collection will be Monday thru Saturday. You can request for a Sunday collection for an additional service fee. If your scheduled collection day falls on a holiday, your RSP will provide collection service on the day before the holiday, if requested, or within one (1) day of the scheduled collection. Sunday collection service is excluded if the holiday falls on a Saturday.
- Extra Services may be applicable to your situation. See the separate Additional Customer Fees and Charges list of Extra Services and associated fees and charges.

WHAT WILL BE COLLECTED

- Your RSP will collect commercial and multi-family refuse/garbage in Black Bins, recyclable materials in Blue Bins and organic waste in Green Bins. If applicable, Horse Manure will be collected in Brown Bins. Refer to LAMC Sec. 66.03
- You will provide full access to your containers on your designated collection day(s). The RSPs cannot remove obstructions to access your containers.

NEVER PUT THESE MATERIALS IN YOUR BINS

- **State law prohibits the disposal of hazardous waste and certain electronic waste in your containers.** These wastes includes but are not limited to:

Certain Mercury-containing Devices (i.e.: Batteries, Thermometers)	Construction and Demolition Waste (i.e.: Concrete, Wood, Asphalt)	Electronic Waste – Items with an Electrical Cord (i.e.: Large Appliances, TVs, DVDs, VCRs)
Fluorescent Light Tubes/Bulbs	Radiological Waste	Medical Waste
Pharmaceuticals/Over-the-Counter Medicines	Paints	Pesticides
Sharps	Used Motor Oil	Solvents

MISSED COLLECTION

- If your RSP is at fault for a missed collection and you report it before 2:00 PM on your scheduled collection day, your RSP will provide the collection by 6:00 PM on the same day. All missed collections reported after 2:00 PM on the day of collection will be collected by 10:00 AM on the next regular service day, Monday-Saturday. If a missed collection is resolved on a Sunday, you will not be charged additional fees for this collection.
- To report a missed collection call 311, 1-800-773-2489, press #7 or go to recycLA.com.

CONTAINER REPAIR/REPLACEMENT/SERVICE

- Your RSP will repair or replace your containers as the result of normal wear and tear, resulting from proper use, or damage resulting from the RSP's actions at no cost to you.
- You will be responsible for the cost of repair or replacement of containers that are damaged as a result of your negligence or misuse, including overfilling or depositing of prohibited materials.
- You are entitled to one (1) free steam cleaning per twelve (12) month period per container upon request. You can request additional steam cleanings for an additional fee.
- Your RSP is responsible for removing graffiti from RSP-supplied containers upon request at no charge up to three (3) times per twelve (12) month period. Any additional requests, within the twelve (12) month period will be an additional fee. Your RSP will remove graffiti reported within seven (7) business days of notification. For containers owned by you, you may request graffiti removal by your RSP for an additional fee.
- Your RSP will be responsible for all costs associated with the repair or replacement of property that has

been damaged by the RSP's equipment, employees or agents.

MULTI-FAMILY VALET SERVICE

- Your RSP will continue to provide valet service to all multi-family establishments that were enrolled in the CITY's Multifamily Residential Recycling Program (MFRP) at no additional cost. You may choose to continue your current collection program. The following changes in service level may result in the cancellation of the valet service:
 - ✓ An increase in the frequency of collection of the Blue Bin(s); or
 - ✓ A change in container size or type (i.e., replacing 96 gallon carts with a 3 cubic yard bin).

REASONS FOR NON-COLLECTION

- Should your RSP not be able to collect a container due to the following reasons, a written Non-Collection Notice will be left indicating the reason(s) such as:
 - ✓ Container(s) is determined to contain hazardous waste, medical waste, electronic waste, exempt materials, or construction and demolition materials.
 - ✓ Blue Bin(s), Green Bin(s), or Brown Bin(s) are determined to be contaminated after the RSP has left the required number of notifications.
 - ✓ Container(s) is overweight and cannot be safely moved and/or emptied by RSP personnel and/or equipment
 - ✓ Container(s) contents will not empty after tipping
 - ✓ Container(s) is overfilled
 - ✓ Container(s) is blocked or inaccessible. The RSP cannot remove obstructions to access your containers.
- Non-collection will result in an additional charge.

BILLING

- Your RSP will bill you on a monthly basis that will cover the following month's service.
- You will have the option to pay your monthly bill by mail, online, and phone or at your RSP's Customer Service Center. You will also have the option of receiving proof of payment via paper, electronic or both methods for all transactions.
- If you are billed an amount greater than appropriate for the service you are enrolled at any time during the term of the agreement and for any reason, your RSP will promptly credit your account for the full amount that was overbilled. You will have the choice of your refund to be in the form of check or credit.
- Monthly payments are due 15 days after you receive your bill. Bills not paid by the due date will be considered delinquent and may result in late fees, missed collection, and eventual suspension of services.
- Rates will be adjusted on an annual basis at the beginning of each year.

COMPLIMENTARY WASTE ASSESSMENTS AND STAFF/TENANT EDUCATION

UWS offers free waste assessments to all recycLA customers, including on site staff education and training on both recycling and organics best practices. Zero Waste Representatives can meet you on site with educational materials including: posters, magnets, hand-outs, or door-hangers for tenants and staff. To also help with organics training, Zero Waste Reps can provide 5 gallon buckets to aid and encourage internal collection of food scraps.

Our Zero Waste Team Can Help With:

- FREE waste assessments, including right sizing for Trash, Recycling, and Organics service.
- Provide FREE 5-gallon buckets for internal collection of organics/food scraps.
- Supply your business/multi-family property with posters, flyers, magnets, and any other educational materials you may need.
- Ensure all staff know locations of inside containers and outside carts.
- Set up tabling events at multi-family properties to reach as many tenants as possible.
- Provide industry specific presentations for staff on proper recycling and organics.
- Answer questions based on the waste your business produces.

OFFICIAL NOTICE

MANDATORY COMMERCIAL ORGANICS RECYCLING

To reduce methane emissions from landfill California Senate Bill 1383 (SB 1383) requires all businesses, schools, and multifamily complexes to subscribe to an organics collection service and must separate into their green organics container all of their green waste, food scraps, and food-soiled paper (100% fiber based).

Further, in accordance with Los Angeles Municipal Code Section 66.03(e), Solid Waste Services Required, *“All commercial establishments and multifamily properties shall have collection services for source-separated recyclables and/or commingled recyclables and Source-Separated Organic Waste”*

To arrange for recycling service please contact our 24-hour Customer Care Center at 1-800-773-2489 and request a waste assessment. Your recycLA service provider will conduct a waste assessment of your property and work with you to determine your optimal level of services for the lowest possible cost. The waste assessment is a thorough walk-through of your property to determine current levels of service, opportunities to increase recycling, establish organics collection, and right-sizing your bins, which means determining the appropriate bin size for your needs as well as selecting the appropriate frequency of service. Remember as you add green bin service you should be able to decrease your black bin service. In addition, as you increase your blue service level you should be able to further decrease your black bin service.

Failure to maintain organics recycling could lead to future fines, in accordance with the requirements under SB 1383.

CA Senate Bill 1383: New Food Recovery Requirements for Businesses

What is SB 1383?

California Senate Bill (SB) 1383 is a new, statewide law which aims to protect our environment and to strengthen our communities by preventing surplus, edible food from being needlessly tossed into landfills and by redirecting that food to the nearly 1 in 4 Californians who do not have enough to eat.

Who will SB 1383 affect?

Certain businesses – known as **commercial edible food generators (CEFGs)** – are expected to help our state achieve this ambitious goal. The law identifies twelve different types of CEFGs, which are grouped into two broad categories based on the types of foods that they generate:

Tier 1

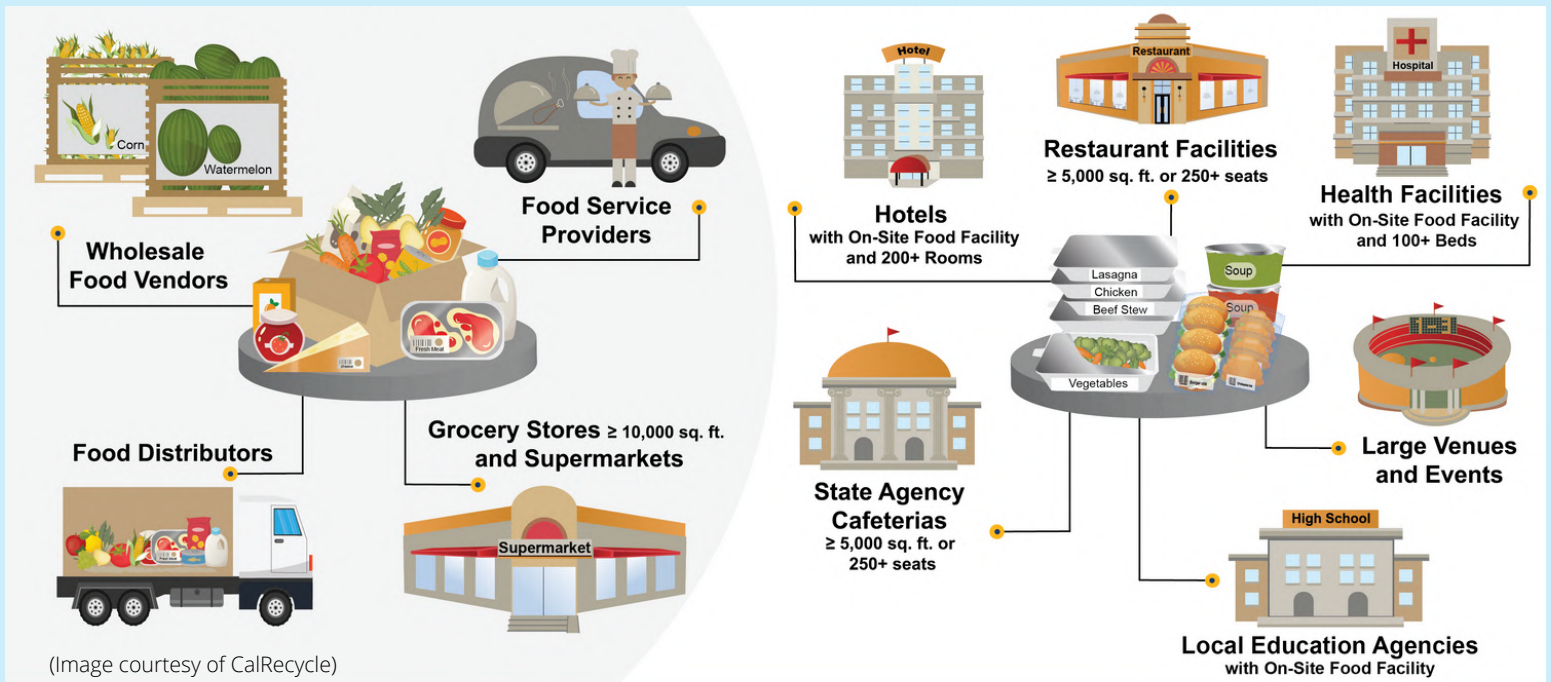

Regulations took effect **January 1, 2022.**

Usually have food items that can be easily donated, like produce and shelf-stable goods.

Tier 2

Regulations will take effect **January 1, 2024.**

Typically have prepared foods or meals, which require specialized handling for safe donation.

What are the specific requirements for businesses?

- Recover the **maximum amount** of surplus, edible food that would otherwise be discarded.
- Partner with local **food recovery organizations (FROs)** or **services (FRSs)** via written contracts in order to redistribute surplus food to people in need.
- Maintain records of all food recovery activities.

Please note that the information provided here is a summary only and does not represent an exhaustive source of all legal requirements and terms related to SB 1383. For more detailed information, please visit [CalRecycle's SB 1383 Homepage](#) or review the [SB 1383 Final Regulations](#).

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request will provide reasonable accommodation to ensure equal access to its programs, services, and activities.

CA Senate Bill 1383: Additional Information & Resources for Businesses

How can my business prepare for SB 1383?

1. **Identify and contact** one or more food recovery partners. You can use [this directory](#) or this [interactive map](#) to locate a variety of FROs and FRSs operating near you.
2. **Establish written contracts** with your new partner(s) to ensure safety, reliability, and accountability for everyone. Check out this [model food recovery agreement](#) to get started.
3. **Begin donating** your surplus food to the LA community with the help of your new partners.
4. **Keep careful records** of all your food recovery activities, including copies of your contracts. This [record-keeping tool](#) can help you stay prepared for routine inspections by city staff.

Benefits of Compliance

Build Community – Sharing your organization's extra resources will improve the lives of the more than 1 million Angelenos who lack reliable access to food, while strengthening key relationships with the communities and individuals that you serve.

Be a Good Steward – Feel good about doing the right thing for our planet *and* enhance your company's image by letting employees and customers know about your ongoing efforts to reduce waste. It's a simple way to raise team morale and attract new clients!

Boost Your Bottom Line – Not only can you potentially save money on your monthly waste-collection bills by keeping edible food out of the trash, but your business may also be able to claim tax deductions for donating that food to charitable organizations.

Announcement City of Los Angeles

Food Rescue and Materials Reuse in the new recycLA Franchise Program

The new recycLA Franchise Program includes Food Rescue and Materials Reuse Programs for commercial businesses and multi-family residents in Los Angeles.

Your recycLA Service Provider (RSP) will provide Green Bin organic material recycling services to all customers that qualify for and request it. Your RSP is also required to establish a Food Rescue Program that will assist in the collection (“rescue”) of edible food, fit for human consumption, and to create or develop the necessary network for delivering the food to those who need it the most.

40% of all food in the United States is wasted; California alone wastes approximately 6 million tons of food a year. With over one million people in Los Angeles County suffering from food insecurity, The Franchise Program’s food rescue effort is an ethical and environmental necessity.

Additionally, food that is disposed as trash is an incredible drain on resources. Nationally one fifth of our fresh water is wasted on crops that go directly to landfills, and one fifth of a typical landfill is filled with wasted food. Each year, organic waste landfilled in California releases approximately 8.3 million tons of greenhouse gases.

Your RSP will also provide resources to assist in the collection of new and/or used goods and materials that can be reused. Examples of reusable materials include manufacturing overages, discontinued or surplus items, and other gently used items (furniture, clothing, appliances, and more).

If you would like to learn more about the services offered in your Franchise Zone, please contact your RSP.

For questions or concerns, contact the LA Sanitation Customer Care Center at 1-800-773-2489, **press #7**.

Universal Waste Systems has partnered with the following Food Rescue and Material Reuse Organizations:

[St Francis Center of LA](#) serves the unhoused and extremely low income families in the greater Los Angeles area by providing a variety of support services, as well as running a daily soup kitchen and food bank. They also have several food pantries in higher education institutions to serve food-insecure students.

Contact: Carlos Rivillas (213) 747-5347 - Info@Sfcla.org

DREAMCENTER

[The Dream Center](#) services consists of mobile hunger relief and medical programs which serve unhoused and lower income families. They have residential rehabilitation programs for adults, shelters for victims of human trafficking and transitional housing for unhoused families - food banks, clothing giveaways and educational services.

Contact: (213) 273-7000 - Dreamcenter.org

[Food Forward](#) Food Forward rescues fresh nutritious produce from farms, produce distributors, wholesalers, public orchards, farmers markets, backyard fruit trees and more. This produce is donated to hundreds of hunger relief agencies across Southern California and beyond, feeding hundreds of thousands of people each month.

Contact: Amir Zambrano (818) 917-0077 - Info@Foodforward.org

[Hollywood Food Coalition](#) provides warm nutritious meals as well as access to basic daily needs including clothing, backpacks, sleeping bags and hygiene items. They also provide assistance with housing placement and referrals, as well as mobile medical clinics. In 2020, they launched a Community Exchange and a centralized distribution center where food donations are shared with more than 60 different local organizations.

Contact: (323) 462-2032 - Info@Hofoco.org

[Food Cycle LA](#) recovers and diverts surplus food to communities experiencing food insecurity using electric vans and leveraging new technology. They partner with food retailers, farmers markets, and restaurants to reroute surplus food away from landfills to over 300 organizations working to feed hungry people.

* The new Removing Barriers to Recycling Program will eliminate, through credits to customers, extra service charges for access and distance fees on the blue bins effective April 1, 2019. Customers will see these charges and credits on their monthly invoice for the duration of the Removing Barriers to Recycling Program.

2023 Additional Customer Fees & Charges

The following are fees established by the City of Los Angeles that the recycLA Service Provider (RSP) may charge their customers if they are unable to service the solid waste, comingled recyclables, or organic waste containers for any of these reasons:

Overfilled:

- The solid waste, comingled recyclables, or organic waste materials are observed to extend above the rim of the container and the lid will not completely close.
- The solid waste materials are placed outside of a full container and prevent the container from being safely collected.
 - ✓ **\$34.11 per occurrence**

Overweight:

- The amount of solid waste, comingled recyclables or organic waste material exceeds a collection truck's ability to collect it or creates unsafe conditions for collection personnel.
 - ✓ **\$137.05 per occurrence**

Contamination:

- More than 10% of the material in the blue bin recycling container is solid waste or organic waste.
- More than 10% of the material in the green organics container is solid waste or comingled recyclables.
 - ✓ **\$68.22 per occurrence**

Penalty Assessment

- Before you are assessed any fees for not properly separating your waste, the following steps will be taken by your RSP:
 - 1st instance: Photos will be taken of the non-conforming container. A written courtesy notice will be provided explaining the special collection needs of the non-conforming material and include information of potential fees.
 - 2nd instance: Same as 1st Instance with the inclusion of a contamination fee.
 - 3rd and subsequent instance: Your RSP will have the option of charging the contamination fee or initiating non-collection procedures.
 - 2nd or 3rd instances considered as such if they occur within twelve (12) calendar months.

Hazardous, Radiological or Biochemical Waste Contamination:

- State law prohibits the disposal of hazardous waste and certain electronic waste in the solid waste, comingled recyclables, or organic waste containers.
 - ✓ **\$137.05 per occurrence**

Bulky Waste:

- Materials which are too large to be placed in the black bin.
 - ✓ **\$40.93 per item**
